**JSK's Brochure**

**Comments and Suggestions**

The brochure is an effort to spread the message about the importance of population stabilization and to make it a people's movement.

***Towards improving our efforts, we would greatly appreciate YOUR feedback on:***

- Have the main issues been highlighted adequately?
- Which issues would you like to see addressed in our next brochure?
- What else can be done to catalyse a movement?
- How would you rate this brochure?

Excellent  Good  Fair  Poor

We also invite suggestions and comments with regard to the design, layout and utility of the brochure.
